## 48-ounce Traex® Batter Boss® dispenser in almond

Stop wasting batter and create more consistently sized food items with the Vollrath® Traex Batter Boss dispenser. This unique dispenser allows adjustments between its eight settings that range from 1 to 3 ounces. The trigger-style handle ensures easy operation and dispenses the food product smoothly and without splattering. The clear snap-fit lid protects against contamination and allows product visibility, while the legs provide stability when the dispenser is not in use. The large 48-ounce capacity reduces the number of refills required, saving valuable time, and is ideal for pancake and waffle batter as well as pizza sauce and other smooth liquid items.
